Triple-X supermodel Nikki Benz is set to headline [The Sex Show](#) in Denver on behalf of [The Screaming O](#).

"The Screaming O brought me out again, and we are going to turn it up," states Benz. "There will be contests, games, and I'll be on stage for a lot of sexy fun."

The show, which comes to Denver Feb. 23-25, offers a unique shopping experience with an eclectic mix of exhibitors, live entertainment, and naughty seminars. Show organizers are expecting thousands to attend the event at the [Colorado Convention Center](#).

"I'm ecstatic," Benz continues. "This is what I love the best—fan interaction."

The Screaming O's line of vibrating rings currently are some of the best-selling sex toys in brick-and-mortar adult retail outlets, as well as online. *Women's Health* magazine also awarded the company with "Best Ring" in its inaugural Sex Awards March 2007 issue, calling it "the best thing to happen to sex since Dr. Ruth."
