HOLLYWOOD, Calif. — Nikki Benz will headline The Sex Show, which hits the Denver, Colo., Convention Center Feb. 23-25.

According to its website, The Sex Show "is dedicated to offering the best in sex, sensuality, romance, wellness and education."

Benz's appearance is sponsored by adult toy company The Screaming O, which makes a line of vibrating sex rings.

"I'm ecstatic," Benz said. "The Screaming O brought me out again, and we are going to turn it up. There will be contests, games and more that I'll be on stage for a lot of sexy fun. This is what I love the best: fan interaction."
