Starlet Nikki Benz will head back to her home town of Toronto to host a "Canadian Long Weekend" party on August 5 at Republik Night Club. The collaboration between Benz and the Republik Night Club will be presented by Bounce Promotions and RobbieRob Promotions.

Brought in to sponsor the event are Hydra Vodka and the adult toy, The Screaming O, of which Benz is the spokesmodel.

Benz said of the upcoming event, "This party is going to be off the hook. I'll be giving out prizes...my DVD's, 8x10 pictures, The Screaming O vibrating condom rings and of course my hometown fans will get a chance to mingle and dance the night away with me."

Glamour photographer Simon Mah will be on hand to capture the event.

"It's been a long time since I've visited Toronto, so this party will be a very special one," added Benz. "And there will also be a big surprise at the party that I can't reveal."

Republik Night Club is located at 259 Richmond St. West, Toronto, Canada. Go to www.republiknightclub.com. To RSVP for the event, e-mail guestlist@bouncepromotions.ca or robbierobpromo@hotmail.com.
