

The Screaming O Launches The Bullet

Posted: 12:00 AM PST Aug 30, 2006

The Screaming O has announced the release of The Screaming O Bullets; a waterproof, wireless, mini-vibrator with replaceable batteries that comes in six colors and is sold in an 18 pack.

“Now women can accessorize their compact vibrators,” said Keith Caggiano, vice president at the Screaming O. “There’s a Bullet color to match every outfit, car, purse, or pair of shoes.”

The Screaming O Bullets feature a powerful motor with one-touch activation, as well as a compact size and waterproof design. The products ship in ready-to-display 18 count boxes.

The Screaming O Bullets are the latest addition to the Screaming O’s line of disposable and non-disposable vibrating rings and products that include The Screaming O Condom Pack, The Screaming Ovation, The Big O, The O Boy, The O Honey and the Screaming Octopus.

All of the Screaming O Bullets products are available through distributors and retailers of adult toys.
